

RV Parks for Ranch Roundup:

4 RV parks in the Glenwood/Alma area:

There is the **Oaks RV park** that is run by Jay McKeen – not sure how the “honor system” works for that! Here is the link for it:

1 Mile East of US 180 at Alma, NM on Mineral Creek Road. Approximate Elevation 4965 ft

they are having a tractor pull that weekend at or near the RV park so it may be full of campers already and there will be a lot of traffic (generally speaking!) around.

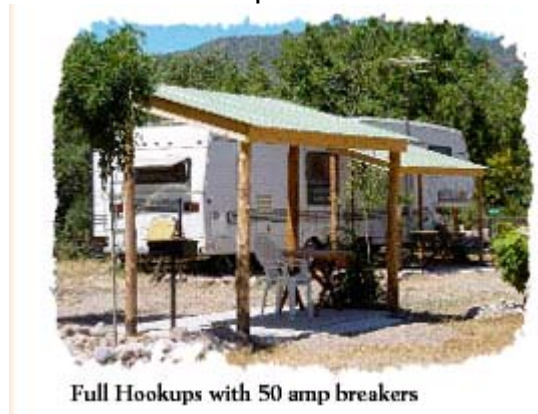

Other RV parks:

The other option would be to contact dad and see if you want to camp out at the ranch.

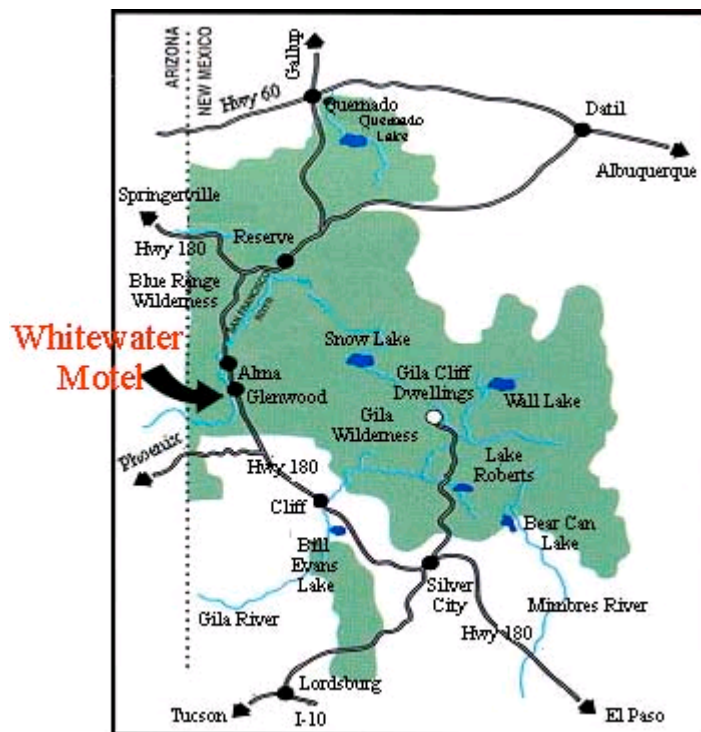

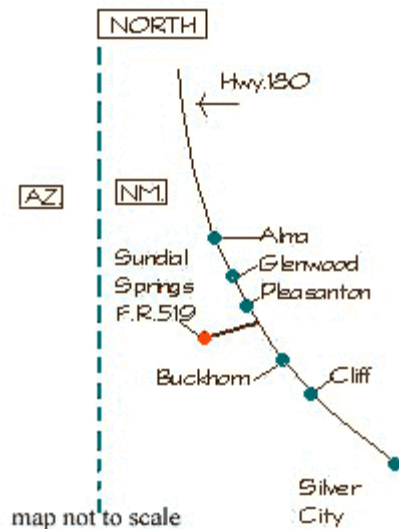

You may want to try out Dad's golf course as well... even non golfers find it fun! He will have some clubs there for people to use.
